

Springtime

Scripture

Think about how the wild flowers grow. They don't work or make clothing. But here is what I tell you. Not even Solomon in his royal robes was dressed like one of those flowers. *Luke 12:27 (NIRV)*

Devotional

Flowers are one of the prettiest things we see in springtime. God created many kinds of flowers, each with its own shape, color, and sweet fragrance. They are all beautiful in their own way. Better yet, flowers are never afraid. They just turn to the light of the sun and grow. God takes care of them, and God will take care of us.

Prayer

Dear God,
Thank You for caring for us and for providing everything we need. Help us to always trust in You.
Amen.
